Glider trailer fee per year <sup>13</sup>	£195.00	Single seaters	29p £17.40

**1. New members** joining during the membership year, which runs from 1st March, pay a reduced subscription for flying memberships in proportion to the number of months remaining in the membership year – if for instance joining in June, 9 months of an annual sub is payable. Associate membership is not pro rata. Existing members cannot claim a proportional reduction when renewing annual membership.

**2. Family membership** is 1.5 times the normal adult subscription. It allows two adult members of a family to have one adult membership at the full adult rate and one membership at half the adult rate.

**3. Junior members<sup>7</sup>** are under age 25.

**4. Cadet members** are age 14 - 18.

**5. Aerotow reduced fee** is for Cadet, Junior, and Uni instructional flights only and the minimum price is for a 2000ft tow. Solo, mutual, and non-instructional tows are at the normal club rates.

**6. Associate membership** allows the associate member to fly occasionally in the Motorglider, a syndicate aircraft or a spare two-seater, but not to receive instruction.

**7. The Daily Flying membership** applies to the following.

- Reciprocal members – but see note 15. Flying fees are at the rate appropriate to the age of the pilot.
- Flying in the Motorglider or any syndicate aircraft.
- Friends and family of club members. Flying fees are at the full adult prices.

**8. Trial Flights** entitle the member to one flight of up to 30 minutes, or 60 minutes for the Mile-High Tow. They may have further flights at normal club rates on that day. If they wish to fly again on another day, they must either pay the Trial Flight rate again or join as a flying member, unless they have a 30-day membership. Trial Flights include 30 days full club membership, valid from the date of the Trial Flight.

**9. Groups of 10 or more.** Subsequent winch launched flights on the same day are £21 per launch, and aerotows are £53. Both including soaring. Equivalent Junior rates for second flights are: winch £21 and aerotow £42.

**10. Winch launches** before 10 am are half price.

**11. Soaring.** The maximum soaring charge is 3 hours per flight. No soaring charge for successful Silver Badge 5-hour flight.

**12. Aerotow retrieves - Note change for 2022:** Gliders retrieved or towed out are charged per kilometre away from club. Minimum price is £42. There is a separate notice for actual prices to local gliding clubs. All retrieves are charged per kilometre to or from another airfield, not by height.

**13. Glider trailer fee** permits a flying member to keep a glider trailer in the trailer park and have use of the club facilities.

**14. Instructor checks,** and instructor training flights are at half the normal adult rate.

**15. Reciprocal membership.** No charge to other BGA club members for the first five days, excluding ICL days.

**16. Tug pilot currency flight** is the cost of an 1100ft aerotow for a 5 to 10 minute flight.
